Peach Festival Weekend Specials

August 1-2, 2026

Please note that specials are only available while supplies last. We are a from scratch bakery. When we sell out of items for the day, our cases do change or can appear less full. But never fear, you can always find something tasty here! We rarely accept same-day or next-day order requests during festival weekends. We are often too busy to answer our calls and emails received during festival weekends.
