

Cupcakes

All of our cupcake flavors are available as cake flavors. We prefer that custom orders be placed at least one week in advance. Specialty flavors require a minimum of six cupcakes per flavor, 1 dozen for mini size. We do have a seasonal selection of cupcakes in our cases every day. Check out our seasonal flavors too! Our cupcakes and cakes should be eaten at room temperature. It's when they taste best! Make sure you give your order enough time to reach room temperature before serving. (Available sizes – Regular, Double, Mini)
